

STAKEHOLDER CONSULTATIONS IN AMRITSAR

Objective of the stakeholders Consultation

The objective is to strengthen urban water supply system to bridge the gap between demand & supply in the city of Amritsar.. The project would improve access and quality of piped water services for urban community and to increase the capacity and performance of Local Governments in providing water supply services.

- To obtain the views & opinions of the direct & indirect stakeholders for sustainable and effective water supply services in Amritsar
- To find out what will be the impact positive and negative if the implementation of project is done; before construction, during construction and after construction.
- To find out environmental & social risks involved during the process
- To find out the possible solutions from the stakeholders

Target Stakeholders

- Ward councillors, Mayor
- Local Community
- NGOs/ - Youth Employment Federation
- Local street vendors
- Shopkeepers
- Resident welfare Associations
- Senior Citizens
