

Publication of Contract Award for Consulting Services

Country: The People's Republic of China

Project Name: MCDF Financed Procurement to Support the Preparation of the Proposed AIIB Financed China-ASEAN Sea-Rail Multimodal Logistics Project Procurement of Pre-Project Consultancy Services
Project Number: S000658

Client: Qinzhou Huangma Asset Management Group Co., Ltd.

Address: Third Floor, Qinbei Economic and Technological Development Zone Building, Huangma Industrial Park, Qinbei District, Qinzhou City, Guangxi, China

Contract Name/Title: Climate Assessment and Green and SmartLogistics Park Planning and Design

Contract Reference No: CS-02

Selection Method: QCBS (Quality and Cost Based Selection method)

1. The Successful Consultant

Firm's Name:	JV of Energy and Environmental Development Research Center&China Academy of Building Research Co.,LTD
Country:	China
Contract Price:	¥6,296,600.00 (Includes local indirect tax ¥423,131.52)
Contract Duration (days):	12 months
Summary of Contract Scope:	The Consultant shall conduct climate mitigation (decarbonization) assessment, climate adaptation assessment (climate risk assessment), the Paris Agreement alignment assessment, and climate finance assessment. In addition, the Consultant shall develop a comprehensive plan and design for a green and smart logistics park that leverages sustainable practices and advanced technologies to optimize the logistics park's construction and operations. The climate assessments shall be conducted per AIIB and Multilateral Development Banks (MDBs) standards and provide inputs to plan and design the green and smart logistics park. The planning and design work is essentially to develop a comprehensive, detailed Concept Plan for the Project that features green, resilience, and smart themes and can effectively guide the Preliminary / Schematic Design in the next phase.
